

# Srijon Ashraf Zim

## Front-End Developer & Graphic Designer

A University going final year student with a strong passion for Frontend Development & Designing, having more than two years of practicing experience in this field. Completed more than five hundred designing projects in freelance career. Seeking opportunities in a dynamic company to expand the expertise and communication skills by working with a good team together.

### Work History

2020-06 -  
Current

#### Brand Designer

*Momo Hut, Darwin*

- Momo Hut is an Australian restaurant service provider with more than four outlets there. I've been worked for them for more than 2.5 years as their brand designer. I designed all of visual contents, including main logo of restaurant's, menus, promotional items, and packaging. Still working with them fluently.

2022-01 -  
Current

#### Graphic Designer

*SS Cafetoria, Khulna*

- Developed creative design for print materials, banners and signs for Cafetoria.
- Designed creative digital displays used in online advertising for local businesses which increased their sales by 20%.
- Developed graphics and visual content for social media campaigns.
